Winter Storm 2021 Emergency Repair Program

Waco Habitat for Humanity (WHFH) & Grassroots Community Development (GCD) have partnered with the Waco Foundation to assist individuals who were affected by the winter storm of February 2021. Through the 2021 Emergency Repair Program (2021 ERP) WHFH & GCD will complete emergency repairs needed due to damage caused by the storm, for example, broken water lines.

IMPORTANT: The purpose of the Winter Storm 2021 Emergency Repair Program is to provide *emergency* repairs that are needed due to the snow fall, ice, and freezing temperatures of the Winter Storm of February 2021. Emergency repairs are those basic activities that will allow residents to shelter safely at home (i.e. primarily plumbing leaks and related damage). This program is not intended to deal with larger or long-term repair/renovation issues or problems arising from deferred maintenance.

Eligibility Criteria for the 2021 Emergency Repair Program (2021 ERP) are as follows:

- You must **own the home** where the repairs are to be made.
- You must **occupy the home** as your primary residence.
- You must have a need that makes the requested repairs necessary.
- Your household income must fall below 80% of A.M.I. (Area Median Income---See attached income chart).

Please submit the following documents with your application:

- Copy of ID or License
- Proof of Income:
 - Social Security Benefits/ Disability Award Letter
 - Last 2 months of paystubs for everyone in the household
 - Last 2 months of bank statements
 - Self-employment or any other earned income not mentioned.
